Sometimes tedious, more often rewarding,
SCHOOL IS THE BRIDGE LEADING INTO OUR FUTURE.

Now as seniors, we stand
at the end of the bridge
Looking back, and re-living the events of the year.

The foundation of the bridge
was constructed long before we trod upon it.
Our way was chartered by our parents,
and we were constantly guided and urged forward
by our teachers.

They gave us their hands to aid us
On our faltering trip forward.

Those who follow us will perhaps
Be guided by the footsteps we are leaving.
We hope we have in some small way
Made this bridge a little stronger
and the crossing of it
a little easier
for those behind us.

Our real journey is just beginning, but the
bridge of knowledge
we have crossed

Will let us walk into
the future
with pride,
with joy,
And with assurance.

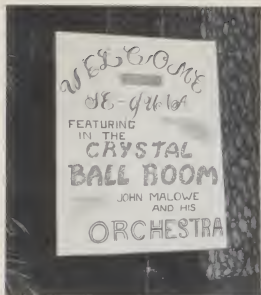

Summer bridges the gap
between the close
of one school year and
The beginning of another.

It starts with the biggest
social affair
of the year, the
junior prom, and
Continues through long, lazy
days of fishing and
swimming and tennis,
As well as long, not so lazy
Days of summer jobs.

Too soon the days, weeks, and
months have rushed by.
Swim suits and shorts are
Replaced by skirts
and sweaters, and
light reading gives
way to ponderous
school texts.

Another school year
Is on its way.

Seniors Enjoy . . .

DECORATIVE SIGN WELCOMES SENIORS to prom given by juniors May 20, 1960. The Crystal Ball was enjoyed by everyone who attended.

FASCINATED BY FLOWER COVERED fountain, Virgine Redar and Dale Hinkle make a wish.

WITH AID FROM JONNY MARLOWE and his orchestra, dancers move gracefully across the floor.

. . . Crystal Ball

EARLY DEPARTERS RICH GALLAS AND MARILYN SPOHN leave for Chicago between door-men Robert Rayfield and Barry Ahlborn. Most people attending prom go on to a supper club for food and more fun.

WARM CONGRATULATIONS and a bouquet of flowers are presented to Queen Mary Lou Hinton by class president Sig Toth.

ADMIRING DECORATIONS are faculty members Mr. Stokes, Mr. and Mrs. Hayes, and Mr. and Mrs. Jones, with Mr. Bibich in the background.

Grand March leads up to climactic crowning of King and Queen.

Honoring class sponsor Mrs. Wease, Al Yelich and Sig Toth present her with beautiful flowers.

... Brings Exciting Moments

Queen candidates Sue Brace, Jan Czeck, Donna Brusch, Pat Herman, and Mary Lou Hinton.

Spring Leads . . .

SPIRITS FLAG AS THE SCHOOL YEARS ENDS, and boys assigned yard duty spend more time loafing than digging. Larry Newlin and Junior Ruiz are probably dreaming of the days ahead when school work, both in and out of the building, can be forgotten.

HOW MANY SENIORS CAN ONE CAR HOLD? Bob Templeton, proud owner of this '37 Buick, says "The more the merrier". Many seniors drive

treasured jalopies, the older the better, and learn a great deal about what makes a car run.

... Into Summer

GOATS ARE A CURIOSITY on farms these days, but the camera caught senior Tom Herman as he was making friends with a flock on the Frank Huppenthal farm.

MILKING BY HAND IS ALMOST A LOST ART, but Mickey Keilman proves that at least some of the younger gen-

eration possess this ancient skill. He is pictured here with one of the Holsteins of the Homestead Acres herd.

Camera Catches Students . . .

PAUSING FOR REFRESHMENTS after a day of taking pictures for the yearbook, staff members Pat Weeks, Glorianne Curtis, and Marsha Yates give their order to Alice Chappellie, waitress at a nearby restaurant.

CHANGING TIRES IS A DIFFICULT ART which Mitchell Rhoads has mastered after long weeks of experience. Mitch worked at a local service station and learned a great deal about automobiles there. Many boys find similar summer employment.

... At Work

WORKING AS WAIT-RESSES, many high school girls earn money during the summer to help with school expenses in the winter. Pictured here is Eileen Thiery as she serves customers in a neighborhood restaurant.

DYER'S SUCCESS IN GOLF COMPETITION is in part due to the popularity of the sport with high school boys. Two nearby golf courses offer opportunity, not only for play but also for work as greensmower or clubhouse boy. In this picture Steve Arndt waits patiently for his turn while Jerry Curtis tees off on the Lake Hills Course.

Vacationers Find Fun . . .

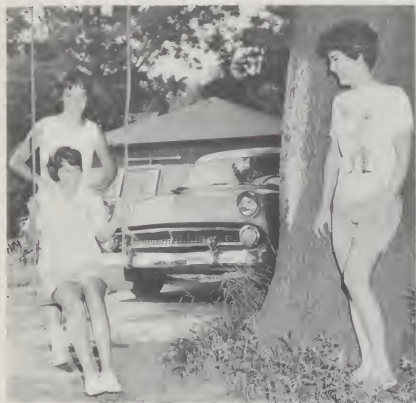

HOT DAYS WERE MADE FOR LOAFING, and many high school students enjoy loafing at Scherwood Swim Club. Holly Jacobsma (lying down), Eleanor Hero, Carol Salus, Mary Jane Maye, Marsha Gard, and Pam Dicks (standing) may be talking about days to come.

SOME PEOPLE WILL TRY ANYTHING ONCE. In a mad moment on a carefree summer day, Arlene Hamot, Joe Wachter, and Jerry Gaber take a ride on a merry-go-round at nearby Kiddieland.

... Wherever They Go

GIVING SANDY HILBRICH A PUSH INTO ORBIT, Evie Redar idles away a long afternoon at the home of Sandi Greenwell (standing). Many friendships are cemented and strengthened during the summer holidays.

TRYING FOR A NEW WORLD SPEEDBOAT RECORD, our usually dignified adviser, Mrs. Dorothy Ainsley, and her reliable colleague, Mrs. Jean Wease, hold determinedly to the course at nearby Kiddieland. Admiring members of the Echo staff may be seen in the background.

Summer Finds Teachers . . .

RELAXING UNDER A TOWERING OAK at his home, Mr. Yates takes an opportunity to spend a few happy moments with Sandy, the youngest of his three daughters. Mr. Yates excels in teaching government as well as in being a devoted father.

PAINTING CABINETS BEING DIFFICULT and exacting work, it seems unusual to find Mrs. Crisco, English teacher, performing this task in the kitchen of her apartment.

...Relaxing At Home

NOT ONLY IS MRS. J. WEASE A DEMON in the classroom, but she is also an intrepid rider on anything from a Shetland pony to a bucking broncho. She learned to ride on the farm near St. John where she grew up into the fine teacher she now is.

DEMONSTRATING THAT SUMMER VACATION IS NOT ALL ENJOYMENT, Mr. Protsman mows his lawn in front of his home in Schererville. Earlier in the summer however, he took a trip through southwestern United States, gathering specimens for his rock collection.

On our journey
across the bridge,
our scope is broadened,
and our view widened.
This is formal education,
and we are guided
by our teachers.
Formal education
is an integral part of
our journey.
We take each step,
eager to grow
in knowledge. The way is
sometimes difficult,
sometimes bewildering. But
we walk onward, learning,
experiencing, and
always going forward.
When we have crossed the
bridge, the lessons we have
learned will determine
our success
in the future.

Counselors

AS DEAN OF BOYS, GLEN EBERLY divides his day between counseling well over three hundred boys, and teaching world history. He also sponsors the senior class and the Lettermen's Club. This year, Purdue honored him with a fellowship in guidance, and he spent the second semester at the university, working toward his Master's degree.

DOROTHY AINSLEY TEACHES COLLEGE preparatory English, sponsors the Echo as well as the National Honor Society, and as dean of girls, spends many hours advising and counseling the high school girls.

LELA HOWELL, SECRETARY-RECEPTIONIST, has a variety of duties ranging from assigning lockers to running the P. A. system. She has a cheerful smile and a friendly word for everyone.

Ministering To Mind And Muscle

"BOOKS! BOOKS! BOOKS!" says Kathy Arbuckle, librarian. "We need more books of all kinds- fiction, reference books, and informative books on all subjects." In addition to supervising the library, Miss Arbuckle sponsor the cheer leaders and the Pep Club.

MAKING USE OF THE LIBRARY during a study period are (seated) Eve Molson, Mary Zylo, Gerry Adler, and (standing) Reed Matthews, Buddy Darnell.

BRUISES, BREAKS, AND BANDAGES- They are all part of the day's work for Cecile LeVin, school nurse. Under her sponsorship, the Medical Professions Club has become an active organization and some of its members are receiving valuable training as cadet nurses.

From Art To Automobiles

CREATIVE ART IS EMPHASIZED in classes taught by Lenora Smith, and beautiful work is done by imaginative students. Outstanding Christmas decorations were made for the school by the Art Club.

POSTERS FOR MANY SCHOOL AFFAIRS are made by the art classes. Here Tony Adler and Jo LaBuda finish posters for the Homecoming dance.

TOM STOKES' DRIVING CLASSES are taught to be alert, courteous, and knowledgeable of the ways of a good driver. Mr. Stokes also teaches phys. ed., and heads the football coaching staff.

LATIN IRREGULAR VERBS may be dear to the heart of Lou Iaconetti, but his fame rests on his achievement in bringing closed television to the high school. Installation of the system was under his supervision, and as program director, he made it possible for all teachers to enrich and broaden their courses.

German Joins . . .

DISPLAYING A MINIATURE CHARIOT, Patti Albright talks to Marsha Niemeyer and Tom Brush about traditions and customs of ancient Rome.

WIEVIEL UHR IST ES? Shirley Burbage explains to Don Oft and Jerry Keegan how to tell time in German. Starting with the very first lesson, German students learned to use small phrases, and most any day, fragments of conversation can be heard as one goes down the hall.

... Language Department

DURING HER YEARS AT DYER CENTRAL, Ruth Pierce has taught Latin, English, and Spanish. She enjoys them all, but her favorite class is the hour she works with the Comet staff, getting out the school newspaper.

NEW TO THE FACULTY THIS YEAR, John Kavaliunas gained immediate popularity as teacher of conversational German. A graduate of the University of Vilnius, Lithuania, he is also qualified to teach Russian and mathematics.

IN USE FOR THE FIRST TIME THIS YEAR, the language laboratory proved an invaluable aid to German and Spanish students. By listening to recordings made by professionals, students increase their ability to understand and to speak. In this picture, intent Spanish scholars are Bob Grove, Neil Keintz, and Patti Osborne.

English Department Teaches . . .

TEACHING JUNIOR AND SENIOR ENGLISH keeps Janet Crisco busy all days and many nights, but she finds time to sponsor Future Teachers of America, and to supervise the cadet teachers.

SUPERVISING SCHOOL BUSES, directing audio visual education, and teaching sophomore English fill Roscoe Protsman's days but leave him time for a little philosophizing now and then.

GIVING FRESHMEN A STRONG FOUNDATION in English is Marilee Thanholdt's aim. As sponsor of the freshman class, she starts students in the right direction for their trip through the four years of high school.

... Reading, Writing, And Speaking

COMING TO DYER FROM CROWN POINT, Ed Robertson has established himself as a solid teacher of freshman English. He believes emphasis should be put on reading and writing, and his students find their year with him to be a profitable one. He has also earned the respect and loyalty of the school for the fine job he has done as head basketball coach.

TECHNIQUES OF PUBLIC SPEAKING are taught by Barbara Foss. In addition, she teaches junior English and sponsors the Senior Drama Club.

LOOKING HAPPIER THAN HE FEELS, Doayne Cole addresses the members of his speech class.

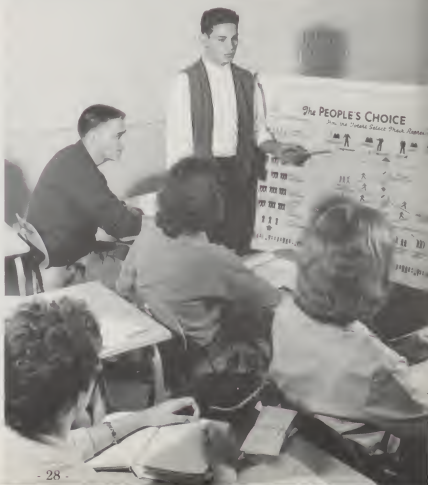

History And Mechanics Of Our Nation

UNITED STATES HISTORY is not only past history, but also present and future, according to Robert Mygrants (above). His sociology class is equally forward looking, and his students keep well informed on world events.

MAPS AND CHARTS are used by Mr. Yates in teaching the democratic process of government. In this picture, Mike Yokubaitis explains to the class how the voters select their representatives.

GOVERNMENT CLASSES of Carl Yates (right) reached a new peak of interest during this election year, and his seniors have a keen interest in all governmental affairs. Mr. Yates is also assistant football coach.

Music In The Air

FROM 8 TO 60 BAND MEMBERS in three years is the record of Douglas Jordan, band director. In addition to the marching band, concert band, pep band, and dance band, Mr. Jordan sponsors the majorettes and the Sportsman's Club.

PEP BAND BLASTS OFF during before-game pep session.

MARCHING BAND in straight line formation at Homecoming rally.

Homemaking Courses Popular

COOKING CAN BE FUN! Anne Pluchinski teaches food and clothing to eighth and ninth grade girls. Although this was her first year of teaching, she was as efficient in the classroom as she was pleasant outside of it.

ADVANCED HOME EC is taught by Charlene Reusze, who also sponsors the Home Economics Club. Home nursing, child care, interior decorating, and family relations are included in the course of study.

Carol Hilbrich (foreground), Jolynn Miklik, Nietzel, and Virginia Schutz are making cotton dresses. Rochelle Meyers, Caroline Grummer, Bonnie

Physical Fitness Emphasized

IN HER FIRST YEAR OF TEACHING, Audrey Grau proved herself an able phys. ed. teacher, and an enthusiastic sponsor of the Girl's Athletic Association.

TEACHING PHYS. ED. AND HEALTH classes, along with coaching the gymnastic, cross country, and track teams, keeps Paul Hayes pretty busy. Yet, he always has time to play in a faculty basketball team, teach an after school class in tumbling, or take part in a pep club skit.

SETTING-UP EXERCISES may not be the most popular part of the phys. ed. program, but they benefit both large and small.

Commerce Students Succeed . . .

IN HER TWO YEARS AT DYER, Jan Rogers has established herself as an excellent teacher of shorthand and typing. Under her sponsorship, the Sunshine Society had a very successful year.

IN FIRST YEAR TYPING CLASS, Bruce Swinford learns the correct method of erasing an error.

TIMED TESTS IN SHORTHAND measure the progress of the students. In this picture, Jo Sizemore and Brenda Phillips are trying to beat the clock.

...in Business World

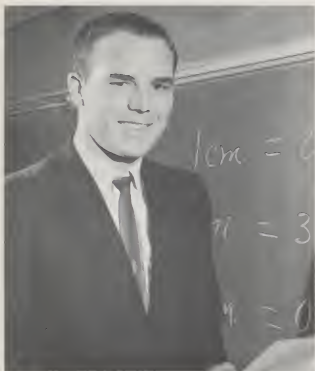

DURING HER YEARS AT DYER, Beulah Husted has taught all the subjects in the commercial curriculum. This year her classes studied general business and the operation of office machines.

In the picture at the right, Beulah Evans and Kathy Segert practice doing sums on the adding machines.

LONG A FAVORITE with the students, Buren Hooper teaches bookkeeping, typing, and business law. He also does a fine job placing graduates of the commercial course in the business world.

Math and Science Are . . .

GENIAL AND ENTHUSIASTIC LON LAWSON makes even geometry an interesting subject. In the picture below, some of his students are discovering the use of the adjustable triangle.

BILL PHILLIPS IS NEVER HAPPIER than when leading his algebra classes through complicated story problems.

... As Old As Civilization

WHEN NOT BUSY with his classes in physics and algebra, Kermit Kerns directs the athletic program and sponsors the sophomore class.

AN EARLY EXPERIMENT in chemistry is the distilling of water. From left to right, Jackie Shofroth, John Kobeske, Dexter Graves and Betty Pruitt are studying the process of distillation.

BIOLOGY AND CHEMISTRY classes may be difficult, but with Ernest Ver-eb as teacher, they are not dull. Between bugs and bacteria, Mr. Ver-eb finds time to sponsor the junior class.

LESLIE MILBY teaches metal shop, coaches wrestling, and is one of the sponsors of the Industrial Arts Club.

HARVEY UNDERWOOD divides his time between junior high school where he teaches elementary science and high school where he teaches physical science.

LENNIE KUFFEL operates the milling machine in metal shop. Safety glasses, as well as other protective devices, are used by all students.

Informal education

is often misjudged as
an unimportant part
of our crossing.

It is through activities
outside the classroom

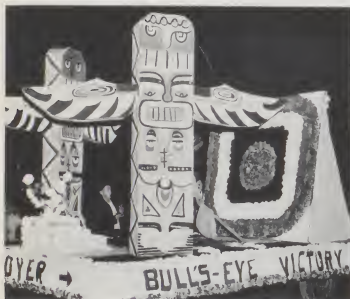

that we gain poise
and assurance for our
social contacts at the
far end of the bridge.

We have learned to work
and to play with others,
to be contributing members
of a group, and to develop
whatever talents
we may have. New vistas
are opened to us, and
our activities,
more than any other
phase of our lives,
remain vivid in our minds
as we approach the
untrodden paths
of the future.

Surpassing pre-season predictions, the Indians, led by second year coach Tom Stokes, produced a smashing 9 win and 1 loss season. The Indians also finished in a first place tie with neighborhood rival, Griffith. The team is to be congratulated on the finest record in the history of Dyer Central.

Dyer opened the season with a convincing 21-0 victory over Highland. In our first conference game we nipped Portage 12-7. Merrillville became the next victim of the Indians to the tune of 13-7. We recorded our second shut-out by whipping Gary Edison 21-

Jim Austgen kicked a field goal which proved to be the decisive margin. Dyer received its only defeat at the hands of Griffith, 19-13. The Indians bounced back against Crete-Monet, trouncing them 34-7. Against a strong East Gary team, Dyer fought to a 20-7 victory. The Indians ended a very successful season by wallopping Lowell 40-2.

Conditioning . . .

INDIANS' OFFENSIVE POWER improved tremendously this year, averaging more than 19 points per game. Members of the back field, from left to right, are Harry Kilander, Jim Austgen, John Render, Al Wilcher, Ray Stout, and Butch Higgins.

PRACTICING HARD ON THE BLOCKING SLED are members of the offensive line. This equipment greatly increases blocking efficiency, helping the back field to gain yardage. From left to right are Jim Jones, Al Yelich, Rich Bryant, Tom Schaefer, Dan Butler, Ray Freeman, and Larry Jones.

DEFENSIVE LINE showed great determination and held the opponents to fewer than seven points a game. From left to right are Bob Templeton, Norb Peipho, Steve Adams, Bruce Fane, Pat Cox, John Kleine, and Mike Nowicki.

... Pays Off

JIM AUSTGEN (10), Dyer halfback, circles right end for a substantial gain against the tough Gary Wirt team. Ozzie Kilander (12) prepares to throw a key block. Jim was leading scorer for the Indians this season with a total of 61 points.

DYER'S DEFENSE, which was the vital factor in many of our victories this year, stops a hard charging Wirt back. Making the stop are Jim Jones (38) and Al Yelich (37), with John Render (11), Jim Austgen (10), and Ray Stout (20) moving in to assist.

JIM JONES (38), Dyer end, catches another pass enroute to the Indians' 9-7 homecoming victory over Gary Wirt. Jim Austgen kicked a field goal and John Render ran a touchdown to account for the Dyer scoring.

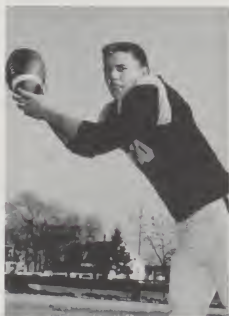

Athletes Capture Honors

Conference passing-ace John Render, senior tailback, was chosen for the All-Conference football first team. Johnny passed for 13 touchdowns during the season, and ran for 6, accounting for 36 points. He was co-captain of the Indians in his junior and senior years.

Senior fullback, Ozzie Kilander, by merit of his fine running and punting, was selected to the All-Conference football first team. Ozzie was the team's second leading scor-

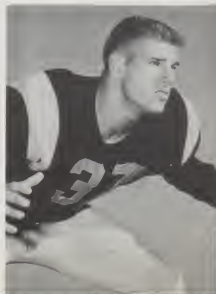

er with 52 points to his credit. He has played football for three years. In addition to his offensive abilities, he also excelled in defense.

Starring defensively this year was husky senior tackle Al Yelich. Besides being selected to All-Conference first team in his junior and senior years, he was chosen for the All-State second team in his junior year. In his senior year he made the All-State first team.

named to the All-Conference second team. He caught numerous passes in every game and was a constant thorn in the opponent's side.

FINISHING WITH A 3 WIN-1 LOSS-1TIE SEASON, the reserve football team predicted Dyer will continue its winning ways. The young Indians opened the season by winning their first three games before bowing to a strong Lowell team 7-6. They ended the season with a 7-7 tie against Noll Central. The team which showed great fight and potential ability, was capably coached by John Tennant, Ed Robertson, and Joe Gorsich.

It was Dyer Central's gain and Crown Point's loss when likeable Ed Robertson (left) became head basketball coach. The Indians, under the proficient leadership of Coach Robertson, made an excellent record of 15 wins and 7 losses. This is the best record in recent years at Dyer Central. With a team made up chiefly of seniors, the Indians carried a 10 game winning streak into the sectionals. But the Indians, whose shooting went stone-cold, were upended by the Hammond Tech Tigers by a 64-40 score.

Following the winning example of the varsity basketball team, the junior varsity finished its season with 9 wins and 9 losses. Under the capable direction of second-year coach Jerry Niemeyer (left), the boys gained valuable experience and knowledge for next year. The team not only possesses height and speed, but also has the advantage of playing together for the last two years. They are expected to continue the winning era at Dyer Central.

John Palm, Bob Imes; BOTTOM ROW: Tom Bruschi, Joe Britton, Gary Whitaker, Manager Eddie Burns.

UNDER NEW COACH PAUL HAYES, the Indians closed out a winning season by finishing second out of nine teams in the Calumet Conference cross-country race. The young team, with only three seniors running, finished with a 5 win-4 loss record against the area's fastest teams. The harriers also placed 20th out of 33 teams in the Hobart Invitational meet which included most of the state's best.

At right are the team's top runners, Dean Dunning and Steve Arndt, with coach Paul Hayes. Both boys were all-conference.

After many successful seasons, Coach Glen Eberly has stepped down from his head coach position to attend Purdue University on a fellowship grant. His able successor will be Mr. Robert Mygrants (right) who returns to the coaching field after a four-year absence. He will be capably assisted by Coach Lon Lawson (left). With only three lettermen lost and twelve returning, the Indians undoubtedly will avenge last year's winless season.

HOPING TO SOLVE TROUBLESOME PITCHING PROBLEMS, Ozzie Kilander, Phil Gavert, Pat Vrabel, Joe Brittan, and Randy Harner demonstrate form. If the Indians can come up with some solid pitching, they can be real contenders for the conference crown.

MAJORITY OF THE HITTING THIS YEAR will be furnished by the boys at left. Watching intently as team batting champion Jim Austgen slams out a long hit, are Jim Campbell, Johnny Render, Dick Rakoczy, and catcher Bob Crider.

LES MILBY, Head Coach

GAINING VALUABLE EXPERIENCE and skill, the young members of the wrestling squad finished fifth in the conference after a successful 5 win and 5 lost season against very tough opposition. Highlights of the season were wins over Valparaiso, Gary Wirt, and Hammond Morton. Top wrestler for the season was Louis Berg, who did an exceptional job in the heavy-weight class against heavier opponents. Head Coach Les Milby is very optimistic about the team's prospects for next year.

New Team Enters Competition

TOP ROW: Coach Paul Hayes, Al Wilcher, Bob Svast, Ray Staut, Dan Butler, Dean Dunning.

BOTTOM ROW: Ron Carter, Jack Tewell, Paul Marcinek, Sig Tath, and Walt Mercer.

LOOKING TO THE FUTURE, the gymnastics team is expanding its program by giving exhibitions at basketball games. It has helped build school prestige, and by competing in matches with other schools next year it hopes to add to school victories. This year it has performed at Purdue Extension, River Forest, and Thornton Fractional High Schools in community benefits.

Young Golfers Seek . . .

CANDIDATES FOR THE GOLF TEAM ARE:
(standing) Newell Easley, Art Janes, Barry

Ahlbarn, Bob Burrish, Ed Kelly, Jan Full;
(kneeling) Bob Saville and Mike Bly.

SEEKING ITS FOURTH STRAIGHT CHAMPIONSHIP and also its fourth straight trip to Indianapolis is the Dyer Central golf team. Coach Louis Iaconetti awaits the season eagerly but cautiously, having lost his first three men through graduation last year. Returning lettermen Marv Hansen and Jan Full, along with newcomer Newell Easley, will determine how successful the coming season will be. The young team faces the task of playing the best teams in the state and of continuing the school's perfect record of three seasons of conference play.

AT LEFT ARE COACH LOUIS IACONETTI and Captain Marv Hansen with the trophy won by the team last year.

TEEING OFF IS THE KEY to a good golf game, and Newell Easley prepares to swing as Jan Full and Marv Hansen look on.

CHIPPING ONTO THE GREEN takes a great deal of skill, and the camera caught Marv Hansen as he approached the 10th hole on the Lake Hills course.

ANTICIPATING ANOTHER WINNING SEASON are the optimistic coaches of the track team, John Tennant and Paul Hayes. Their boys did very well last year, beating eight teams and losing to only two. Out of seven meets the Indians finished 1st five times. There are many returning lettermen to bolster the squad including Al Wilcher, the team's leading scorer last year, Doayne Cole, Ray Stout, Junior Ruiz, and Bob Kelsey. The track team, after only a few seasons of varsity competition, has gained the reputation of being one of the toughest teams in the area.

... on Experience

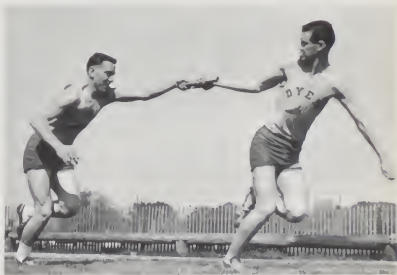

DEMONSTRATING HIS GRACEFUL style is Bill Noble, the team's leading high jumper.

LEADING TEAM DISTANCE RUNNERS are Dean Dunning and Junior Ruiz. Dean was also top cross-country runner.

HURDLING REQUIRES perfect form as shown here by Al Wilcher. Al was the team's point leader as a junior last year.

RUNNING HAND-OFF used by the relay team is shown here by Bob Kelsey and Doyme Cole, the fastest quarter-milers on the team.

So many faces
are to be seen!
So many names
are to be remembered!
Through this section,
the pictorial album,
we shall record
the names and faces
of those we encountered
as we crossed the bridge
into life.
This is the section
which will call to mind
those whose lives
we briefly shared,
those whose footsteps
paralleled ours.
These are the companions
of our school days.

Outstanding Seniors . . .

VALEDICTORIAN DIANA STEPHEN will deliver the commencement address at graduation ceremonies. The many honors which she won during her four years of high school are listed in the senior album section. In September she will enroll at Indiana University.

SALUTATORIAN ARLENE HAMOT came to Dyer from Crown Point in her sophomore year. Although excelling in all fields, she likes math best and hopes to become a Certified Public Accountant. In addition to ranking second in her class, she was named Betty Crocker Homemaker of Dyer.

SENIOR CLASS OFFICERS Marsha Yates, treas.; Patti Weeks, sec'y.; Sig Toth, pres.; Evie Redar, v-pres.; and Glen Eberly, sponsor guide the class of '61.

JOE WACHTER'S ABILITY and interest in science have been acknowledged by the Bausch and Lomb Science Award being awarded to him.

... Win Honors

HAVING BEEN CHOSEN to attend Girls' State and Boys' State at Indiana University last summer, delegates Sig Toth, Al Yelich, Marsha Yates, and Bon-

nie Bucha have been educated in the duties, privileges, rights, and responsibilities of American Citizens.

BY MERIT OF THEIR EXCELLENT THEMES, Why I want To Go to the U.N., Diana Stephen and Tom Herman were awarded the Washington-New York trip.

THE D. A. R. AWARD, which is given to a senior girl possessing the qualities of leadership, patriotism, and character, was presented to Patti Weeks this year.

JUNIOR CLASS OFFICERS HAVE many responsibilities at the beginning of the school year. Two of their most important duties are managing the snack bar and raising money for the junior prom. Seated on the steps are Junior Ruiz, vice-president; Pat Skorupa, president; Carol Hilbrich, secretary; and Terry Huseman, treasurer. Earnest Vereb worked diligently with the class, and was a large factor in making the year a successful one.

A black and white photograph of two young men standing outdoors, possibly on a beach or near water, holding protest signs. The man on the left is looking down at his sign, while the man on the right, wearing glasses, looks towards the camera. The background shows a body of water and a distant shoreline with trees.

Once we complete
our crossing,
we shall be in the
outside world. A
very commercialized
world. Commodities,
necessities, luxuries--
all will be a part
of our lives.
Buying and selling--
both will be part of
our livelihood.
Through this section
we acquaint ourselves
with many of the companies
that supported our journey;
we shall meet them again
in our future.
Because of them
we leave behind us
a stronger,
firmer bridge
for those who follow.

what's their future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building

a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.

During the past eleven years, Mrs. Dorothy Ainsley has served as yearbook adviser. She has given sound advice and outstanding leadership to her staffs.

It is with regret that we bid her farewell. The Echo Staff of 1961 feels that they can give her no more than their deepest and most sincere thanks.

Appreciation goes also to the Root Studios, the Administration, and the Faculty.
